

MUTUAL RESPECT

Key Values: UN CRC Article 2: The convention applied to everyone whatever their race, religion, abilities, whatever they think, say and whatever type of family they come from.

UN CRC Article 30: Children have a right to learn and use the language and customs of their families, whether these are shared by the majority of people in the country or not.

Provision

- Provide opportunities to consult parents
- To work together as a team respecting each other
- To ensure parents are involved in their children's learning
- To provide positive role models
- To value individuality
- To value all cultures and beliefs
- To respect all languages
- To respect each other's space
- To ensure all stakeholders feel safe and secure
