Ashlands CofE Primary School and home will **work together** with the children to share responsibility for their learning, wellbeing, behaviour and safety. We believe in the unlimited potential of every child – that **every child can** and encourage our pupils to be the best version of themselves, all of the time. Our ethos is underpinned by our **Super Six** values, which all members of our school community are expected to demonstrate in their personal conduct: **Friendship, Forgiveness, Aspiration, Compassion, Respect and Trust**, these all underpinned by **Love**.
