

15<sup>th</sup> July 2024

Dear Parents and Carers.

### End of Year Reports

Your child's report will be placed in an envelope in their bag ready to go home tomorrow. In the envelope you will find their report and attendance information.

There will be additional information for specific Year Groups

- **EYFS** : EYFS Profile reports for our Reception children
- **Year One** Phonic results for our Year One children
- **Year Two** Phonics results for those children who were reassessed this year
- **Year Six** SATS Results – please be aware that these may differ from the teacher assessment referenced in your child's report. The teacher assessments are based on consistency across the year, which includes classwork, projects and formalised tests. The SATS are based on performance in a test situation. This provides a snapshot of that time.

Every year I have the most interesting couple of weeks reading through every child's report. I always come away with an overall resounding feeling of pride in all our children and for the staff that have worked so hard all year to support them in reaching their potential. We are immensely proud of the learning journey every child has made this year.

Your child's report has a section which explains their attainment and progress. Please take time to read through this. Your child's attainment is comparative to National Expectations. The progress they make is based on prior attainment.

I would be grateful if you could click on and complete the link below to say you have received your child's report by **Friday 19<sup>th</sup> July**. If you would like the opportunity to meet with your child's teacher to discuss your child's report please tick the option on the link. This meeting would be to discuss the report only, it is not a general Parent Evening. Meeting times have been timetabled for **Tuesday 23<sup>rd</sup> July 3.15 – 5.20**. If you are unable to attend at this time and would like to speak about the report – please complete this on the forms link. We have included a comment box as all feedback is welcomed. <https://forms.office.com/e/R9wz6gtYWb>

We would all like to say a big thank you for all your support with your child's learning this year, their educational journey is a partnership, and we could not do our jobs as successfully without your home support.

Yours sincerely

**Love of Learning, Love of Life, Love of One Another**
