

7TH October 2024

Dear Parents and Carers,

Ashlands Harvest Celebrations and Church Service

Thursday 17th October : Harvest Activity Morning

On the morning of Thursday 17th October the children are going to be enjoying a range of practical and imaginative activities linked to our understanding of Harvest. This will be a fun morning but with time to reflect on the importance of this time of year. The children will be learning in their House Teams.

Thursday 17th October at 2pm: Church Service

Our traditional Harvest Church Service will be held at St Bartholomew's Church on Thursday 17th October at 2pm. Each class is busy preparing a short song or poem to perform and you are warmly invited to join us for the service. This is always a busy service, and we would ask that you look out for the reserved seating as we need to fit all the children at the front.

Food Donations

We will be supporting the local charity 'Be a Good Neighbour'. This is a local food bank, operated by volunteers from Crewkerne Community Church and locals in the area. Food is given out to help local people those who find themselves in a situation where they require additional food but do not have the means to pay. We would like the children to bring in a non-perishable food item that we can donate as a school. We will collect the food items on the day of the Harvest Festival and make a display for the children to add to in the entrance hall. We will then take these to the food bank.

Monday 14th October – Friday 18th October: Environmentally Friendly Animals

The children are invited to make a model of an animal using recycled materials which they can bring to school between the 14TH and 18th October. We will display these throughout the school. Each year, we all love the animal creations and the conversations the children had about making them at home with their families. Walking through the school felt like walking through an art gallery!

If you have any questions about our Harvest celebrations, please do not hesitate to ask your child's class teacher or our lovely ladies in the office.

Thank you for your continued support.

Miss Nicola Ball
Headteacher
