Dear Parents and Carers,

Years 5/6 Tag Rugby Festival, Monday 18th November 1.00 pm-3.30 pm

As part of the CISP Partnership of schools we have committed to working together to further develop of Sports competitions and festivals across our partnership. Our aim is to include as many different pupils as possible in a wide range of activities across the academic year.

Our first festival will be a Year 5/6 Tag Rugby Festival. This will be held at Wadham School on Monday 18th November. The festival will start at 1 and finish at 3.15pm.

The children selected will walk up to Wadham with their designated teachers – changed and ready to play. The Wadham Sports Leaders will be supporting and will be the referees for the event. Shelter on the day will be extremely limited and we would strongly recommend the children selected bring warm layers and waterproofs as required. Studded boots and a drink are also advisable.

Throughout the Festival we will have access to toilets in the sports center. All other areas of the site will be considered out of bounds.

At the end of the festival, you will be able to collect your child from Wadham. Due to site restrictions and significant building works making parking extremely limited, we would advise parents/carers to walk to collect if possible, or park on the road. If your child is attending After School Care, they will walk back to school with their designated adult.

Sadly due to safeguarding, we will not be able to invite spectators to this event.

I have talked to the children and I have a list of children interested. Please talk to your child and if your child has expressed an interest in attending, please complete the following link.

Currently we have a large number of Year 5 and 6 interested so we may need to use our random selector to select the team. Please return the permission slip by **Friday 8th November**.

Many thanks,

Miss Ball
