Dear Parents/Carers,

10<sup>th</sup> October 2024

**The Young Voice 'Somerset Sustainable Future Launch event'**  
**26<sup>th</sup> November 2024**

We are excited to announce that we have been invited to take part in **The Young Voice 'Somerset Sustainable Future Launch event'**. As part of the event, we will be discussing our ideas on the impact of climate change and how we can create a sustainable future for Somerset. We will meet with children from other local schools and representatives from local businesses. We will also hear about exciting careers that link to making environmental change.

Through your child's involvement with environmental activities in school, we would like to invite them to attend this event.

The event is on the morning of **Tuesday 26<sup>th</sup> November** at Taunton Rugby Club, we will be providing transport to and from this event.

To ensure we are at the venue on time, children will need to be in school promptly for **8.30am**. We will then be arriving back at school in time for lunch.

This is a great opportunity for children to develop their speaking skills and confidence in talking about current environmental issues. If your child is interested in taking part in this opportunity, please complete the form link below:

Please complete this form by **Tuesday 15<sup>th</sup> October**.

Please do not hesitate to contact the school if you have any questions regarding this exciting opportunity.

If your child is interested, we will then look to developing an Eco group in school. This group
