Dear Parents and Carers,

**Children in Need: Break the rules**

This year, Children in Need will be on Friday 15<sup>th</sup> November. The theme for Children in Need is:

**'Help us make life lighter for children'**

The School Council has met together and decided after the success of last year's fundraising event they would like to run a Children in Need: Break the Rules day!

To support children's understanding of social action and being courageous advocates for change, The School Council are asking children to come to school breaking the rules on the poster below with a 'fine' of 50p for each broken rule.

For the rule of unhealthy snack at break time, the school council will be selling treats on the playground at break time for 50p.

As always, this is a voluntary activity. If your child does not wish to break any rules, but just wishes to donate to the fundraising, this is absolutely fine.

Many thanks for your support as always. Please do get in touch if you have any concerns or questions.

Best wishes,

Miss Ball and the School Council
