

19th December 2025

Dear Parents,

KS2 Dance Opportunity

We are continuing to use an element of our Sports Funding to ensure our children have the fantastic opportunity to experience the Dance curriculum under the expert guidance of Keri Hill. The children practice and are part of the development of a full routine alongside mini dance skill sessions.

Each year we ask our Year 5 and 6 children if they would like to extend their performing skills and be part of the group that will take part in the Yeovil Festival of Dance organised by Keri Hill.

The Festival is an evening performance on Tuesday 1st April. We ask that all parents/carers organise transporting their child direct to the Octagon for approximately 5.15pm in order to carry out a pre-show tech rehearsal on stage. They can then be collected at the end of the show at approximately 9pm. Members of the teaching staff will support the children during the event. Tickets for the event are on sale through the Westlands Website in the New Year.

Your child has asked if they can be part of the dance group that will take their routine to the Primary Dance Festival in 2025. In order to place your child into the correct teaching group, I would be grateful if you could complete the short survey confirming their availability for the Festival.
