

4th February 2025

Dear Parents and Guardians,

Butterfly Class Visitors – Professionals in Our Community

At Ashlands, we are committed to making learning exciting and meaningful for our children. As part of our EYFS curriculum, we are exploring the theme of “People Who Help Us.” To bring this topic to life, we would love to invite parents or guardians who work in professions that help our community to visit our class and share their experiences.

If you work in a role such as a firefighter, police officer, nurse, doctor, paramedic, teacher, postal worker, builder, librarian or any other job that supports our community, we would be delighted to have you visit. Sharing your knowledge and experiences with the children can inspire and help them better understand the important roles people play in our community.

During your visit, you could:

- Share a little about your job and how it helps others.
- Show any tools, uniforms, or equipment you might use in your work.
- Answer some simple questions from the children about your role.

We can arrange visits at a time that is convenient for you, and our staff will be there to support you throughout. If you are interested in participating, please complete the **link** below by Friday 14th February 2025. Alternatively, you can contact Butterfly Teacher, Mrs. Jones, directly at TJulla@ashlandsprimary.school

<https://forms.office.com/e/gRq4qRXnCe>

Thank you for considering this opportunity to enrich the children’s learning experience. We are excited to hear from you and look forward to welcoming you to our school!

Warm regards,

Butterfly Class Team
