Parent Survey Results – Thank You for Your Feedback

Dear Parents and Carers,

Thank you to everyone who completed our parent survey at the end of the Summer Term. Your feedback is invaluable in helping us celebrate what's working well and identify where we can strengthen further.

What's going well

We are pleased that the majority of families continue to share very positive views of the school:

- 84% of parents say their child is happy at school.
- 86% agree their child feels safe.
- 88% believe their child does well at this school.
- 90% feel well informed about what their child will learn.
- 88% value the range of clubs and activities available.

Importantly, there has been no increase in concerns raised compared to last year. Families continue to tell us that when issues are brought forward, they are dealt with in line with school policy.

Where we will focus next

While overall results remain strong, some percentages have dipped compared to last year. This helps us to identify areas where we can make improvements.

Next Steps

In response to the survey feedback, the school will:

- Strengthen shared expectations for all pupils – making sure our high aspirations are consistently communicated and visible in children's learning.
- Embed consistency in behaviour – reinforcing our behaviour policy and celebrating positive conduct across the school.
- Enhance communication sharing wider personal development – celebrating opportunities for wellbeing, leadership, and enrichment beyond the classroom.
- Promote clubs and activities – maintaining a wide range of opportunities and ensuring families are aware of what is on offer.

Looking ahead

Our vision of “*love of learning, love of life, love of one another*” guides everything we do. These survey results affirm many of the strengths we share as a school community, while also helping us to see where we can grow further. We are committed to building on this strong foundation so that every child can thrive academically, socially, and personally in line with our values.

Thank you again for your continued support.

Yours sincerely,
