

27th November 2025

Dear Parents and Carers,

Be A Good Neighbour – Reverse Advent Challenge

We are excited to let you know about a special initiative we are taking part in this year – the **Reverse Advent Calendar Challenge**, as part of the **Be A Good Neighbour** project across our community.

Advent is a time of preparation and giving, and this challenge is a wonderful way for us to share kindness and help those who need it most. Instead of receiving something each day, we will **give something back**. This could be items that will make a big difference to people who do not have a home. This challenge is not just happening in our school – **many schools and businesses across Crewkerne are joining together** to make Christmas a brighter time for everyone in our community. By working together, we can spread hope and joy where it's needed most.

Here's what to do:

1. **Find a box and decorate it** – make it bright and festive!
2. **Starting on 1st December**, place one item in the box each day.
3. **Repeat this until 12th December** – you'll have a box full of kindness!
4. **Bring your completed box into school on 12th December** so we can deliver them to help people in need.

What can go in your box?

Your donations need to be items that can be stored, such as:

- Tinned goods
- Dry food in packets
- Toiletries
- Hygiene products
- Cereals
- Pasta
- Juice

This is a great initiative and one that we are looking forward to being a part of. Thank you for supporting this meaningful project and helping us teach our children the importance of kindness and generosity.

Warm regards,

Head Teacher
