## 1. Aims

School aims to ensure that:

- All risks that may cause injury or harm to children, including pre-school children, staff, volunteers, visitor and contractors are identified and effectively managed.
- Appropriate safety measures are in place to protect young children who might not recognise hazards.
- Risk assessments are carried out, recorded and reviewed regularly.
- Everyone in school understands their role in maintaining a safe and secure environment.
- Risks are managed during learning, play, care routines maintenance work and school events.

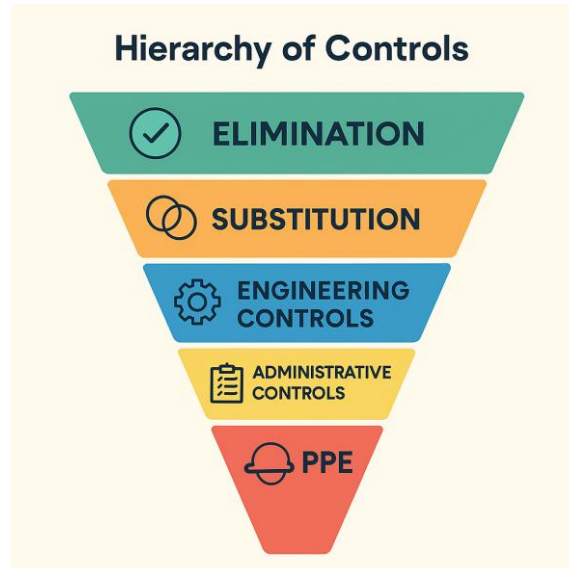

## 2. Legislation and Statutory Requirements

Ashlands Church of England Primary School complies with Health and Safety regulations and legislation, including EYFS requirements, ensuring:

- Safe environments for all persons at the school including children, staff, visitors, volunteers and contractors.
- Risk assessments consider the needs and interactions of all persons at the school.
- Appropriate supervision, safeguarding and security arrangements are in place.

## 3. Definitions

- **Risk assessment:** A method for determining what could cause harm and the measures needed to keep people safe.
- **Hazard:** Anything that could cause injury or harm.
- **Risk:** The likelihood and severity of the injury or harm.
- **Control Measures:** The actions needed or taken to reduce or remove the risk.
- **Hierarchy of Controls:** A system of using the most effective controls to remove or reduce risk:

## 4. Roles and Responsibilities

### 4.1 Governing Board

Responsible for ensuring the school provides a safe environment for:

- Pupils including pre-school children.
- Staff and volunteers.
- Visitors and contractors.

### 4.2 Headteacher

Responsible for ensuring:

- Suitable and sufficient risk assessments are in place to cover all activities and all persons at the school.
- Measures are in place to protect children from risks posed by adults, visitors, contractors and the work they undertake.
- Appropriate supervision and safeguarding procedures are embedded.

### 4.3 Staff

Where directed by the Headteacher, and having received suitable risk assessment training, are responsible for producing risk assessments and implementing control measures ensuring consideration of:

- Pupils and staff.
- Volunteers supporting or providing activities.
- Visitors and contractors.

### 4.4 Staff and Volunteers

Must:

- Take reasonable care of their own safety and that of all other persons.
- Provide appropriate levels of supervision, especially for younger children.
- Ensure pupils are supported to follow age-appropriate rules
- Follow all risk assessment control measures.
- Report hazards, defects or concerns immediately.

- Challenge and report any unknown or unsupervised visitors

#### **4.5 Parents/Carers**

Must:

- Inform the school of any medical or safety needs of their child.
- Take reasonable care of their own safety and that of their child and all other persons at all times.
- Follow any guidance or instruction given to them for their safety by a member of staff.

#### **4.6 Visitors**

Must:

- Sign in and out and follow safeguarding procedures.
- Wear identification and be supervised.
- Take reasonable care of their own safety and that of all other persons.
- Follow any guidance or instruction given to them for their safety by a member of staff.

#### **4.7 Pupils**

Must:

- Take reasonable care of their own safety and that of all other persons.
- Follow any guidance or instruction given for their safety by an adult.

#### **4.8 Contractors**

Must:

- Provide risk assessments and method statements prior to commencing work.
- Ensure work areas are secure and segregated from children, staff and visitors.
- Follow agreed control measures and not create additional risks to other persons.
- Take reasonable care of their own safety and that of other persons.
- Follow any guidance or instruction given to them for their safety by a member of staff.

### **5. Risk Assessment Process**

- **Step 1: Identify hazards**
  - Examples include playground equipment, spillages and trip hazards, activities and classroom resources.
- **Step 2: Identify who might be harmed**
  - Consider all persons likely to be affected and any higher risk groups such as very young children.
- **Step 3: Evaluate Risk and Control Measures**
  - Consider how likely or often the risk will occur and the severity of harm or injury.

- Use suitable and sufficient measures appropriate to control the risk of harm or injury using a hierarchy of controls.
- **Step 4: Record Findings**
  - Risk assessments must clearly record the hazards, who is at risk, the control measures and any further actions required.
- **Step 5: Review**
  - Risk assessment must be reviewed annually, after incidents or near misses and following any changes to activities or building layout.

## **6. Dynamic Risk Assessing**

All staff must continually assess risks, particularly when:

- Visitors or contractors are present.
- Activities change unexpectedly.
- Children behave unpredictably.
- Environmental or weather conditions change.

## **7. Risk Reduction Approach**

Ashlands Church of England Primary School will:

- Remove hazards where possible.
- Replace unsafe practices.
- Use physical controls.
- Implement procedures and supervision.
- Use protective equipment.

## **8. Training and Competence**

Ashlands Church of England Primary School will:

- Ensure staff receive suitable and sufficient training in Health and Safety, risk assessing, safeguarding and supervision.
- Ensure staff hold paediatric first aid qualifications as appropriate.
- Ensure staff understand risks and control measures.
- Ensure volunteers and visitors receive appropriate guidance and information.

## **9. Monitoring Arrangements**

Ashlands Church of England Primary School will:

- Carry out routine daily and weekly checks to toys, equipment, outdoor and indoor areas, recording the findings as required and reporting any defects.
- Review accident records and update risk assessments where necessary.
- Share the relevant findings, lessons learnt and control measures of existing and updated risk assessments.
- Report to governors and the Trust as necessary.

## **10. Review**

This policy and the school's risk assessments will be reviewed:

- Annually.
- Following an accident, incident or near miss.

- When activities or routines change.
- Following any significant change to the school's buildings or grounds.
